DAY 1 (April 16): VISION, PURPOSE, AND PROCESS

8:30 – 12:00 PI RPB Report

Funding

Case Studies in Guam relevant to ocean planning

Develop a vision statement

The vision statement guides the development of the Guam ocean plan. This will build on the work from the kick-off meeting.

12:00 – 1:30 Lunch

1:30 – 4:00 Draft a statement of purpose

The statement of purpose describes this effort to aid communicating with stakeholders.

Continue with process development

We will continue developing the process for ocean planning in Guam.

DAY 2 (April 17): STAKEHOLDERS, GOALS, AND NEXT STEPS

8:30 – 12:00 PI RPB Data Team Update

Continue with ocean planning goal development

We will continue developing goals based on the work started in the kick-off.

Begin drafting objectives

We will start drafting objectives based on the goals that we refine.

12:00 – 1:30

Lunch

1:30 – 4:00

Stakeholder plan development

Start developing a stakeholder engagement plan that tells the Guam Team who and when to engage during development of the ocean plan.
